Hello + **thank you** for considering me to document some special memories for you! This price guide is for basically anything that isn't a wedding. Couples, family, newborn, maternity, cat engagement sessions, etc.

Your session will last roughly one hour. Sessions have a relaxed vibe with lots of candid shots, but I will also offer direction when needed. You will see a few sneak peeks within 48 hours (I **LOVE** editing!). Your viewing gallery will be available within 3 weeks. Once your gallery is activated you will have 1 week to make your file selections. Typically you will have around 50 files to choose from. Once your **favs** have been selected you will be sent a link to download your high-resolution files.
